

HOWTO PODCAST

January 30, 2006

Det er meget nemt at “abonnere” på podcasts, hvis man installerer iTunes på sin computer. På illustrationen nedenfor ses proceduren:

It is really easy to “subscribe” to podcasts if you install iTunes on your computer. The procedure can be seen on the illustration below:

Når du har gennemført abonneringen, som vist her, skal du bare klikke på knappen “update”, så bliver de seneste podcasts hentet ned.

When you've completed the subscription, as shown here, you only have to click on the button “update” and the latest podcasts will be downloaded
